 **MAXI-COSI®**

Three years and more of fun together

Maxi-Cosi FamilyFix.

From Pebble to Pearl, this IsoFix base grows along with your child.

The Maxi-Cosi FamilyFix is revolutionary in the field of car seat safety and convenience. Thanks to the unique IsoFix system, you'll be set for years to come. This is because both the new Maxi-Cosi Pebble baby car seat and the new Maxi-Cosi Pearl child car seat for **children up to approx. 3.5 years old**, fit on the Maxi-Cosi FamilyFix!

You can attach the car seats to the Maxi-Cosi FamilyFix in a split second. And you can place your child in the Maxi-Cosi Pebble or Pearl just as quickly thanks to the open belt design. An ingenious light and sound signal lets you know that you can travel safely with your child. So all you have to do now is make great plans and head out to discover the world together.

The new Maxi-Cosi FamilyFix (IsoFix)

For use with the Maxi-Cosi Pebble (group 0+) and Maxi-Cosi Pearl (group 1)

User-friendliness

- Uses IsoFix attachment point for top rate safety
- Long lasting value and convenience: only one base needed for two consecutive age car seats: Maxi-Cosi Pebble (baby*/0-13kg) and Pearl (toddler/9-18kg)
- Light and sound confirmation of correct installation
- Base offers unique recline positions for both Maxi-Cosi Pebble (Group 0+) and Pearl (Group 1). For Maxi-Cosi Pebble an extra upward position and for Maxi-Cosi Pearl five comfortable positions (from sitting to sleeping)

*The Maxi-Cosi FamilyFix can also be used with the Maxi-Cosi CabrioFix

The new Maxi-Cosi Pebble

State of the art safety and convenience

Comfort

- Three options for installation:
 - Use with the Maxi-Cosi FamilyFix base; the base attaches to the IsoFix anchor points
 - Without the Maxi-Cosi FamilyFix base, using a regular 3-point seat belt
 - Use with the Maxi-Cosi EasyBase 2; the base attaches with a regular 3-point seat belt
- Maxi-Cosi FamilyFix offers an unique upward position
- Anti-misuse belt hooks when using seat belt to install
- Side Protection System offers optimal protection against side impact
- Including support pillow and head support for younger babies

User-friendliness

- One-click attachment on Maxi-Cosi FamilyFix base
- Long lasting value and convenience: only one base needed for two consecutive age car seats: Maxi-Cosi Pebble (baby/0-13kg) and Pearl (toddler/9-18kg)
- Light and sound confirmation of correct installation of Maxi-Cosi Pebble on FamilyFix base
- Innovative stay-open harness belts lets you secure your baby in seconds
- The height of the head rest and harness belts can be adjusted at the same time
- Easy to take out and store away sun canopy due to the flexible rim
- Makes a great travel system with any Maxi-Cosi or Quinny pushchair

The Maxi-Cosi child car seat must always be fitted in a rearward facing position (in the opposite direction to the traffic flow) using a standard 3-point seat belt or base (IsoFix or non-IsoFix base). NEVER place the Maxi-Cosi on a front seat if an airbag is fitted.
